

## DuPont Manual Cheer

### Parent Meeting – Agenda

**11/5/14**

- Call to Order – Mary McDonald
- Coach's Topics – Coach (Please see other sheets and notes below)
  - Coach did advise the girls regarding the trip on Friday to McCracken County that they should avoid driving that day if possible
  - You will find Coach's notes attached with complete details on what the girls need to bring and wear.
  - You will find attached the practice schedule, game schedule for basketball along with upcoming competition dates.
- Nominate and Vote for Cheer Board Secretary – Mary McDonald
  - Due to the vacancy of the secretary position within the Board, Shaun Ramsey will now assume the Secretary role for the remainder of this cheer season.
- Team Pictures – Julie
  - We are in need of a team picture for the yearbook. The board will check to see the deadline but the parents decided to utilize personal photographers to accomplish this goal. Therefore, we are working to confirm the date, time and location for the team pictures to be taken by Christy and Theresa.
  - Please see note below on Crimson Classic being postponed and rescheduled. However, since all cheerleaders and parents were slated to participate on 11/15/14 we are hoping to use this day for the team pictures. Therefore, keep that day open still as once we have location determined we will be sending out additional information. The timeframe we are proposing is 2 pm that day.
  - Picture day will consist of new uniforms, straight hair half up/half down with high red bow, casual makeup, no nail polish, and poms.
- Team Uniforms (rules and expectations) – Julie
  - Julie discussed the importance of taking care of the uniforms due to the cost and rental fees involved. There should be minimal if any alterations made to the uniforms and definitely no cutting of any of the material. All items have been numbered and girls have signed the uniforms out. At the end of the season, they will sign them back in order to be given any credit for the uniform as long as in good condition. Remember, you have

the option to purchase the full uniform if you want to keep or if there are any problems with the uniform that would require the purchase.

- Crimson Classic final topics to discuss – Board
  - Due to low turn-out on entry forms, we are going to postpone this competition. We will be checking on gym availability for February and March and will do additional advertising to showcase this competition. The Board will be contacting any entries that were submitted thus far to advise. More to come on this topic.
- Fundraiser – Krispy Kreme certificates – Shaun
  - Shaun is going to check on getting some additional Krispy Kreme certificates for everyone to sell. When we did this earlier it was a \$700 profit and relatively easy for us to do. Also, I know we discussed not doing any additional fundraisers but due to the Crimson Classic being put on hold the Board and parents at the meeting discussed possibly doing one more additional fundraiser prior to holidays. Shaun is going to research the possibility of selling turkeys/hams for the holidays. More to come on this fundraiser.
- Team Financials – Julie
  - Julie was available to answer any questions regarding team financials. She has recently sent out individual statements. We still have a lot of future expenses so please if you have a balance, please contact Julie to pay or advise of when the payment is forthcoming.
  - St. James Fundraiser – we are still waiting on an update on what the team made for those who volunteered at the St. James Art Festival in early October
- Any additional issues or concerns – Parents
  - Christmas Party – I sent out an email awhile back regarding the Christmas party for the girls and needing to have all responses back on who will be attending. The party is going to be at Dirorio's at 9:19 Baxter Avenue on 12/14/14 at 4:00 pm. We have it reserved until 9:00 pm that evening. All girls and coaches will have pizza buffet and soft drink provided. Parents are welcome to attend and their cost would be \$10.00. However, we need to have a full head count by 12/1 and all parent's payments turned in prior to that date as well. Please let either Mary or Julie know if you are planning on attending and submit payment prior to 12/1.
  - Christmas volunteerism – The parents thought it would be great this year to forego a gift exchange between the girls. However, allow them to set up a volunteer effort in the spirit of giving. The girls as a group could decide what they wanted to do such as volunteer at a mission to serve dinner/breakfast etc. during the holiday season, purchase an angel or elder tree, volunteer at a nursing home, Home of the Innocents or another charity or organization. We want the girls to appreciate and share the spirit of giving with those in need.
  - Theresa Mader sent out an email to all parents asking for them to submit any videos or photos of their cheerleaders so she can use to make a video of the all the cheerleaders for this season. Please try to get those sent to her at your earliest convenience so she

can start working on those. She prefers them on a disc or CD in jpeg format not sent as individual emails due to formatting purposes.

- Adjourn Meeting – Mary McDonald
